Show your skin some love with the time-tested ancient wisdom of powerful botanicals and nourishing natural oils.

Organic Tallow sourced from Small Regenerative US Farms

Rich in essential fatty acids, vitamins, and sebum, our organic grass-fed tallow forms the cornerstone of our balm, providing deep hydration and promoting skin regeneration.

Organic Extra Virgin Olive Oil

Immerse your skin in the richness of 100% Greek, single-origin, 1st press, cold-pressed organic extra virgin olive oil. This ancient golden elixir nurtures your skin with antioxidants for an everlasting glow.

Organic Essential Oils

Organic frankincense essential oil and organic lavender essential oil synergize perfectly to create a symphony of healing and anti-aging benefits. Experience the restoring power of time-honored botanicals.
